Public Trade Show Food Guidelines for Exhibitors

The City Center has been pleased and fortunate to host a wide variety of interesting Public Events over the course of our history. In an ongoing effort to assist show planners in selling space and coordinating there events, we have put together a list of guidelines for your food/beverage venders.

Food/beverage items **sold for consumption** on premises is strictly prohibited.

The following is not permitted:

- Distribution of beverages in bottles/cans of any size
- Sale of bagged/package candy, popcorn, chips cookies, nuts etc.
- Cotton Candy, SnoCones

The following is permitted:

- Sale of packaged (commercially vended) product – i.e. Jars of mustard, salad dressing, dessert topping
- Sample tastings of the package product would include small bites (1/2 cracker, 1/4” piece of cheese)
- Sample beverage tastings should be no more than 2oz.

The vender is responsible for:

- Disposing of all garbage
- Appropriate recycling
- Enforcement of all City Center and State Health and Permit requirements

Please note – All venders selling taxable products in the City Center must have appropriate NYS Sales Tax Authorization.

The City Center management reserves the right to request/insist that a vender not adhering to these guidelines curtail their operation immediately.
